### CRITERIA FOR SELECTION TO 2009 NATIONAL TEAM AND DEVELOPMENT TEAM

#### Overview – National Team

Eligible skaters, who are selected by the SISA Selection Panel for the **National Team**, are those athletes who demonstrate ability or potential to succeed at a high level in representing Singapore in ISU events including but not limited to select ISU and ASU endorsed competitions, Junior Grand Prix, Senior Grand Prix, Senior Internationals, Four Continent Championships and ISU Championships. Athlete assignments as well as the approved competitions will be published on the SISA website, [www.sisa.org.sg](http://www.sisa.org.sg).

#### Overview – Development Team

Eligible Skaters, who are selected by the SISA Selection Panel for the **Development Team**, are those athletes who demonstrate ability or potential to succeed at a high level in representing Singapore in select Asian and International events. Note: Skaters who were previous members of the “National Squad” are not eligible to participate. Athlete assignments as well as the approved competitions will be published on the SISA website, [www.sisa.org.sg](http://www.sisa.org.sg).

#### Related Documents

- SISA Policy – 100 Eligibility for Selection to National and Development Team

#### Selection of Athletes to National Team

Eligible Junior and Senior Level Skaters who skate at the 2009 Singapore National Figure Skating Championships **OR** who have been granted an exceptional circumstance (according to the SISA Medical Notification and Clearance Procedure) and demonstrate ability for nomination to International events will be considered for the 2009 National Team.

Skaters are selected by the SISA International Selection Panel to represent Singapore in ISU events including, but not limited to, selected ISU and ASU endorsed competitions, Junior Grand Prix, Senior Grand Prix, Senior B Internationals, Four Continent Championships and ISU Championships. Athlete assignments as well as the approved competitions will be published on the SISA website, [www.sisa.org.sg](http://www.sisa.org.sg).

#### National Team Requirements

- Athletes included as members of the National Team must complete and submit a National Team acceptance and agreement form to the Administrative Coordinator by the due date.
- National Team athletes are required to be familiar with the agreement, observe and abide by its terms throughout the year, as well as be aware of all ISU, ASU and WADE Codes on anti-doping.

#### Selection of Athletes to Development Team

Eligible Skaters who skate at the 2009 Singapore National Figure Skating Championships or who have been granted an exceptional circumstance (according to the SISA Medical Notification and Clearance Procedure) and demonstrate ability for nomination to local Asian and International events may be considered for the 2009 Development Squad.
